These additional hours of moonlighting shall be counted in the daily and total residency work hours.

e. The Resident shall abide at all times by the rules, regulations and policies of Graduate Medical Education, Hospital’s House Staff Manual, the residency program specific training manual, the residency standards of the American Osteopathic Association (AOA) or the Accreditation Council for Graduate Medical Education (ACGME), and its pertinent colleges, as well as pertinent sections of the bylaws, rules and regulations, and policies and procedures of the Medical Staff and the Hospital, and shall conduct himself/herself in a professional manner.

The Resident also understands and agrees that the Hospital may, at its discretion, change or modify the aforesaid House Staff Manual, and the bylaws, rules and regulations, and policies and procedures of the Medical Staff and the Hospital and agrees to keep himself/herself apprised of the contents thereof at all times during the course of this Agreement.

immediately and the residency program director and Graduate Medical Education Department notified immediately.

Any amounts due to Resident shall be paid within sixty (60) days after this Agreement is terminated.

6. **ADDITIONAL YEAR APPOINTMENT.**

a. Hospital shall have the sole discretion to determine whether it wishes to offer the Resident the opportunity to renew this Agreement. If Hospital desires to offer Resident the opportunity to renew this Agreement, Hospital shall provide Resident with written notice not less than four (4) months before the expiration of this Agreement, unless the primary reason(s) for the non-renewal occurs within the four (4) months before the end of this Agreement, and in such case, Hospital shall provide Resident with as much notice of the intent not to renew as the circumstances will reasonably allow, before the end of the Agreement.

Resident agrees to maintain and hold as confidential and to not disclose the terms of this Agreement or any confidential or proprietary information that Resident may be provided during the term of this Agreement to any other person (with the exception of Resident's legal counsel, accountant or financial advisors), unless disclosure thereof is required by law or otherwise authorized by this Agreement or consented to in writing by Hospitals ("Confidential Information"). As between Hospitals, its affiliates, and Resident, any Confidential Information of Hospitals or its affiliates or Data provided to or learned by Resident for any purpose, in connection with any software pursuant to this Agreement, shall be deemed to be the exclusive property of Hospitals. In no event shall Resident claim any rights with respect to such Confidential Information or Data or take any action with respect to such Confidential Information or Data that is inconsistent with the duties of a bailee for hire or in addition to the services Resident is authorized to provide under this Agreement, without prior written consent of Hospital or its affiliates. Additionally, Resident shall not use, authorize to use or disclose the Data received from Hospitals for the purpose of developing information or statistical compilations for use by third parties or for any commercial exploitation, unless otherwise agreed upon in writing by Hospitals or its affiliates. Moreover, Resident hereby waives any and all statutory and common law liens it may now or hereafter have with respect to data derived from Hospitals' or any of its affiliate's Confidential Information or Data. 13. ENTIRE AGREEMENT; MODIFICATION; GOVERNING LAW; COUNTERPARTS; NOTICES; WAIVER; ASSIGNMENT. This Agreement embodies the complete, full and exclusive understanding of the Hospital and the Resident Physician with respect to the Resident Physician's employment by Hospital, and it supersedes and cancels all prior agreements, written or oral, between the parties hereto regarding the Resident Physician's employment by Hospital.
